We don't want to Cristina to address her use of volunteers.

You don't have to use these materials as handouts.

Hi Harry,

Since I don't work directly with ACCESS volunteers, I can't address that issue.

Do you want Cristina to do that?

I can do the volunteers we have in Probate who serve in various roles: attorneys as volunteer mediators, AARP people in the Guardianship Monitoring Program, professional conservators who teach the lay conservators.
