WORKSHEET FOR DETERMINING COMMUNITY OBLIGATIONS AND THEIR DIVISION

(This side of the worksheet will help you to determine whether you are **eligible** to use the summary dissolution. The total amount of your community obligations (debts) cannot be more than $5,000. Do not include car or truck loans. Be sure you include any other debts you took on while you were living together as husband and wife. List the amount you owe on the items from your **Worksheet for Determining Value and Division of Community Property.** Then add all other debts and bills including loans, charge accounts, medical bills, and taxes you owe.)

(This side of the worksheet will help you decide on a fair way to divide up your community obligations. You will use this information in preparing a **property settlement agreement.**)
